My Grandma was a special woman who always showed me love and laughter and led a path with faith for us to follow! She will truly be missed.

To ALL the Andersen family: Our thoughts and prayers go out for each of you. We loved your mom and Johnnie certainly knew her for a LONG time, from high school days palling around with Lee. A lady with a quick smile, and yet she was feisty and certainly passionate about her family. We did enjoy some giggles as she and Nels would argue, particularly over their own funeral planning! We were so glad to see ALL of you at her birthday party a couple years ago.....She certainly enjoyed having everyone there. We have such good memories.
